MEWS, EAST HORSLEY	6.15	8.75

Created by a father and son team in East Horsley, using the vapour distillation method to produce a lighter, more subtle taste. Mews Gin is infused from a unique combination of 11 different botanicals; many of which are rumoured to have medicinal benefits and have been used in herbal medicines for years.

SILENT POOL, ALBURY	6.50	8.95
---------------------	------	------

Located on the Duke of Northumberland's Albury Estate, right in the heart of the Surrey Hills, the distillery takes its name from the mythical, spring-fed pool from which it draws its water. It is their mission to create artisanal spirits of the very highest quality, using only the finest local ingredients.

TWISTED NOSE, WINCHESTER	6.50	8.95
--------------------------	------	------

A small batch gin combining 10 botanicals including watercress, cultivated in the area since the 18th century, to create a spirit that is intense, fragrant and refreshing. The peppery oils present in watercress act as a stimulant to the taste buds and an aid to digestion, delivering a complex but finely balanced spirit.

# CHÂTEAU CARBONNEAU

---

Château Carbonneau is a family run vineyard and beautiful B&B located in Pessac-sur-Dordogne near Bordeaux.

The property was inherited by Wilfrid Franc de Ferrière in 1992, whose family bought the château in 1938. With his Agricultural Engineering degree obtained in Bern, Switzerland, Wilfrid replanted the vineyard, modernised the winery and restored the château and the stunning 19th century greenhouse.

Wilfrid and his family continue to passionately craft excellent quality wines, two of which are named after his daughters and one paying tribute to the proud sequoia tree at the entrance to the château.

All of the wines we exclusively feature from Château Carbonneau are of exceptional quality and as we import direct, they also represent great value.

## **Margot**

### Sauvignon Blanc

This vibrant light to medium bodied Sauvignon combines Old World elegance with New World fruit intensity.

## **Classique**

### Cabernet Sauvignon & Merlot

A medium bodied red combining Merlot's soft plum and violet fruit aromas with Cabernet's blackcurrant and spice.

## **Séquoia**

### Merlot & Cabernet Franc

Ageing in oak barrels really adds an extra dimension to this wine. Rich robust fruit flavours of blackberry, damson and violet mingle with aromas of toasty cedar wood and a touch of vanilla.

## **Lulu Rosé**

### Merlot, Cabernet Franc & Cabernet Sauvignon

This rosé has a beautiful iridescent pale salmon skin colour. It is light, crisp and elegant with mouthwatering fruit aromas.

# COFFEE

In 2005 Grant Lang created the world's first solar and wind powered, art-covered coffee cart. It was from this small yet remarkable cart that the adventure of Mozzo, the community hub of coffee and art, began. Today, the Mozzo Masters are on a mission to share good coffee whilst making a positive impact within farming communities; so for every kilo of coffee sold Mozzo invest 5p into the Community2Community Fund™.
